Understood Better EachDay

The most successful business man is the one who knows every detail of his business and does not depend upon a pull for his success. Each day this is better understood. In no business is a detailed knowledge more essential than in the Building Trade. If you want an estimate on any work in my line, I'll be pleased to give you the benefit of my many years experience.

exhibition at the Breed theater, for there was a large audience present last evening and general satisfaction was manifested everywhere. The big wild western moving picture, The Mad Miner, is one of the most strenuous shown here for some time, and from the packing of the mule train to make the passage over the precipitous mounthe passage over the precipitous mountain paths to the grand denouement, when the expiring miner wills the claim to the girl who has befriended him, there is not a dull moment.

The sublimely beautiful moving ploture of the Grand Canal of Venice gives everyone an opportunity to view this most romantic waterway of the world, taken as it is from a gondola, and passing under the famous bridges, past the magnificent Casa D'oro, the most zorgeous of the marble palaces, most gorgeous of the marble palaces, the Rigito also is shown, the palace of the Doges, the prisons, the famous columns and the outlet of the canal. This is a perfect photographic reproduction of the dream city and elicits many expressions of admiration.

Other fascinating pictures are The Hindo Dagger. The Musiclan's Love Story, The Miser, Jones' Amateur Theatricals.

The fine selection of moving pictures at the Roderick won generous applause

No Rosin in It

Nothing but high grade soap and naphtha in P. & G. Naphtha Soap.

The first thing you notice, when you unwrap a cake of P. & G. Naphtha Soap is the color of it-white.

That shows there is no rosin in it.

Most naphtha soaps are yellow-they contain rosin.

There is a saying among soap manufacturers to the effect that 5 per cent. rosin in soap is all right; more than 5 per cent. is all wrong.

Some naphtha soaps contain as much as 25% rosin. Do you know why? Rosin is cheap. That is why.

And so we offer this advice: Never buy any other than a white naphtha soap.

P. & G. Naphtha Soap is white-there is no rosin in it. 5 cents a cake;

worth more.

Now in the land is heard that cry. Which no ear careless passes by But which to answer all men try, "What's the score?"

He has no time to fret
With little girls, but keep
Up hope—we'll meet him yet!

That is your mother, dear,
Just getting in the car;
She knows that you are here
And also who you are!
But what with clubs to meet
And bridge to play, you see
With hours so short and fleet
She's turned you o'er to me.

But there my dear, don't fret,
Or let those blue eyes blur,
Some time I know you'll set
Acquainted, too, with her.
Why sometimes, in the night
When angels yigil keep,
She asks if you're all right,
And when you went to sleep!

I think you'd like them both,
I think they'd both like you.
But what with "higher growth"
And many things to do.
They're simply rushed to death,
But, there, my dear, don't cry.
If they should stop for breath,
We'll meet them by and by.

Rhodes, the city of the colossus, still Rhodes, the city of the colossus, still survives, a medieval city in all its defensive war gear of tower and curtain and keep. It is the city which the Knights of St. John creeted in the midst of the Byzantines, after being driven out of Jerusalem in the early fourteenth century.
